## PEAKS ISLAND HEALTH CENTER

87 Central Avenue - PO Box 52 - [www.peaksislandhealthcenter.org](http://www.peaksislandhealthcenter.org)

Hours: Monday, Wednesday, Friday: 8:30 AM to 3:00 PM

Kitty Gilbert, Family Nurse Practitioner, provides care for all ages.

Please call either 766-2929 or 874-2466 for an appointment.

*Watching a loved one die, especially if death comes without warning, is painful, frightening and confusing. Doctors and nurses talk to you and their words float above you in a fog. Suddenly you must decide between continuing treatment and allowing a natural death. Whichever decision you make, there is uncertainty. Would she want me to stop the treatment or to exhaust every possibility? Am I ending her life too soon, or causing her more pain by extending it? Will there be disagreement and anger among the family regarding the decision?*

*A "Conversation" now removes much of the anger, fear, guilt and confusion by stating, in advance, one's wishes for end of life care. Now, all the family can spend the time that is left to love and support the dying person – and each other.*

--Peaks Islander Vonnie Fieldsend, cardiac care nurse, MMC

### PEAKS ISLAND TAX AND ENERGY ASSISTANCE (PITEA)

Spring and summer of 2016 were very busy on Peaks Island. We had many visitors to the island and they seemed to take advantage of all that the island offered. It was delightful to watch the faces of the children as they rode the ferry, landed at the dock with their picnic lunches, and made their way to the beaches and to different activities on the island by bikes, golf carts, walking and by car or taxi. Most seemed to really enjoy the time they spent on the island culminating in that grand treat – an ice cream cone to eat as they waited for the boat. Peaks Island was a happy destination. Almost every day the backshore was booming with folks building rock formations, playing on the rocks or watching the surf.

Hopefully our businesses that relied on the tourists, the renters and the daytrippers were equally successful. We all benefit from your days on Peaks and when our venues are successful they can then serve the community throughout the winter. We do benefit from your generosity every year.

Our Peaks Island Tax and Energy Assistance 501(c)3 is an important part of island life. It can be expensive to live on the island and some families need a little assistance to live throughout the year with either property taxes or energy bills. Islanders apply to the committee and the Island clergy read the applications to determine whether the families will receive assistance. As in other areas of the coast of Maine the cost of property taxes continues to rise and the cost of goods shipped to the island goes up. The additional cost of energy must be added to our cost of living. It is the generosity of our visitors, renters, daytrippers, who just seem to know that they are helping islanders to live here and to be here when they come once again next year. We can report that islanders are very appreciative of all the assistance we do receive. Thank you from all of our hearts.

For those of you who attended our Clam Roll and Lobster Roll Dinner at Jones Landing, please know that you helped to raise funds for heating assistance. We must add a huge thank you to Robin Clark for allowing us to use her beautiful venue for the Dinner again this year.

When our proceeds are added to the donations we had received we will start the heating season with about \$5000. We will continue to raise funds until we will be able to assist 35 or more families so Islanders will be warm this winter. We do allot \$300 for each successful application. Combined with other programs on the Island including the making of storm windows, the Food Pantry, and the rummage sales and bake sales we can help to keep islanders safe and warm.

This has been a busy summer for us, and we want to thank our friends and neighbors who helped to make it such a successful time - 14 music events, 3 pancake breakfasts, 2 special presentations, and Art on the Porch.

## The Peaks Island Community Food Pantry

The Peaks Island Community Food Pantry is truly a community effort, with donations and support provided by many different individuals and organizations from Peaks Island. Our mission is to provide food assistance to our island neighbors in need.

**We are housed in the Brackett Memorial Church and are open on Mondays at 3:30–5pm.**

*A note to our summer residents—if you are closing up your cottage and you discover unopened, non-perishable food at the end of your summer stay, we would be happy to put your extra items on our food pantry shelves. You can drop at the drop off box in Douglas McVane Community Center or call Susan Hanley, 332-2443, to arrange pick up.*

This summer we are especially grateful to those people who have reached out to provide the food pantry with delicious prepared foods left over at the end of special celebrations and other events. These donations don't just help islanders—they prevent food waste, a growing problem in our country.

Thank you also to all of our "Food Pantry Angels" who donate to the food pantry on a regular basis. This month we would be especially grateful for donations of canned fruit, canned vegetables, packets of potato side dishes, Mexican dinners, and laundry detergent. We also need plastic carrier bags.

And a special thank you to those who have made cash contributions or sent in cash donations using the Paypal donation button on our website, [www.peaksislandfoodpantry.org](http://www.peaksislandfoodpantry.org). You can also send donations by check to: The Peaks Island Food Pantry, c/o Brackett Memorial Church, 3 Church Avenue, Peaks Island, ME 04108.

If you have any questions about the food pantry, or you would like to arrange a drop off of food or pick up of a donation, please contact Susan Hanley, 332-2443.

### News from Peaks Island Elementary School

By Renee Serio, Teacher Leader

Peaks Island Elementary School is pleased to announce that we were awarded two Peaks Island Fund grants this summer. Both grants will allow us to continue to offer rich programming in our After School Academy.

The \$10,000 grant funds the After School Academy Coordinator position. We are very happy to announce that Jonathan Downs will return to PIES in this position this year. Jonathan has provided a steady and thoughtful presence in our school and we are fortunate to have him return to this role in the new school year.

The \$7,560 grant will fund one of the After School Academy programs led by artists Pamela Moulton and Jamie Hogan that will bring critical thinking, creativity and innovation to students while aligning with core curriculum on Landforms and World War II history. The program will be conducted in collaboration with Ocean Avenue Elementary School students in Portland.

**DEADLINE FOR NEXT MONTH'S STAR:** Sunday, September 25, by 6pm. You may put it in the Book Return or slip it under the door when the library is closed.
